

BYOG is a 5-piece jam driven vehicle that currently resides in Charleston, SC. Since their reformation in the Spring of 2013, BYOG has hit the road regionally, covering most of the South East, sharing stages with the likes of Moon Taxi, EarPhunk, and the Heavy Pets, all in their short tenure as a band. Their original material is crafted with instinctive groove, while they tend to stick close to their roots, covering artists like, The Band, The Allman Brothers Band, and The Grateful Dead. BYOG is a must see live act, frequenting The Charleston Pour House, Visulite Theatre in Charlotte, NC, and Sky City in Augusta, GA. BYOG is David Buck, Blake Zahnd, JP Treadaway, John Wienand, and Phil Pasquini. Check out www.byogmusic.com for upcoming dates!

“With a locked in rhythm section, tasteful piano and organ accompaniment, and the guitar interplay of Buck and Zahnd at the forefront, there is a classic, comfortable tone that emanates like the pervasive heat in the South Carolina Low Country they call home. BYOG has a bright future, and they are building it one fine groove at a time.”
